Representatives who serve on the Board in a voting capacity will be from named bodies, organisations and businesses and individuals with an interest in stimulating the economy and improving quality of life in the Camborne area.

Membership of the Board may also include individuals where agreed by the Board should these individuals be able to contribute the relevant skills,

experience or expertise to the delivery of a project or projects. These representatives would be non-voting.

It is anticipated that the total number of voting members will not number less than 12. The Membership of the Board including voting members and non-voting members can be found in Appendix 2.

Cornwall Council Officers will represent the Lead Council in a non-voting capacity and are not permitted to represent any private sector or voluntary organisations with which they are involved.

A representative from the Accountable Body, Cornwall Council shall also be in attendance at Board meetings in a non-voting capacity.

4. Appointment of Chair and Vice Chair

In line with the Towns Fund Prospectus guidance the Chair should be from the private sector unless there are reasons why this cannot be the case.

In line with UK good governance practice, the Board has adopted an approach whereby the Chair should hold the position for a period of three years, but at the end of this first appointment period, they shall be eligible for reappointment for a further period of three years with a maximum of two terms being served. The Board has also adopted the same defined term for the Vice Chair position to ensure consistency.

Further details on the Board's appointment process for Board Members, Chair and Vice Chair positions can be found within the Camborne Town Deal Board Recruitment Policy.

5. Meetings

The Board shall hold at least 4 meetings in every year for the transaction of general business and may hold such other meetings as they shall find necessary or convenient. Extraordinary meetings of the Board will be held with no less than

5 working days' notice (unless in the case of absolute business need when a shorter notice period may be given, in agreement with Lead Council and Chair) and may be called by the Chair, or by any six Members of the Board, sending a written request to the Secretariat with a clear single agenda item.

Meetings may be held either in a physical location, remote location (virtual meeting), or a hybrid approach will be adopted.

In order to discuss items of business (such as ongoing contract negotiations) Board agendas may, as necessary, include a Confidential section of the meeting. The minutes of this section of the meeting will be confidential to the Board, and not shared publicly. The minutes of the public sections of these meetings will be shared as standard on the Lead Council's website. The meeting agenda will clearly reflect which items are to be discussed under the public and confidential sections of the meeting.

6. Quoracy, access to information and decision making in meetings

For a meeting of the Board to be quorate there must be present no less than two thirds of the voting membership.

VOTING

- In the case of equality of voting, the Chair shall have a second or casting vote.

A full record of those present at the meeting and of the representatives sending in apologies of absence shall be recorded in the minutes. The minutes of every meeting of the Board shall be recorded by the Economy and Skills Service of Cornwall Council and shall be approved by the Board at the next meeting and, when approved, signed by the Chair.

Minutes will be published on the websites of the Board and the Lead Authority unless they contain confidential or exempt information, in which case those sections of the minutes will not be published.

Each member of the Board shall be permitted to:

- Send to the Chair and Secretariat not less than 3 working days prior to the date the agenda is due to be produced of any matter that they may wish

to include in the agenda.

- Receive copies of the agenda and accompanying papers 5 working days prior to the date of the meeting, unless there is some particular urgency when a lesser period may be given, which in any event shall not be less than 3 working days.
- Items may be tabled for information purposes only; all should be written in plain English.
- Verbal reports, other than those for information, will be accepted with the consent of the Chair where a reasonable explanation is offered as to why a verbal report is necessary/preferable.

7. Written procedures

With the express consent of the Chair and the Lead Council decisions can be made by written procedures, such procedures to be agreed by the Board but which reflect the principles of this terms of reference. In each case a deadline for response will be given, the decisions will be binding, and they will be reported to the next convened meeting of the Board.

8. Conflicts of Interest and Confidentiality

A conflict of interest is any situation in which a Board member's personal interest, or interests that they owe to another body, may (or may appear to) influence or affect their decision making.

Interests may be associated with, for example, employment, other appointments (including trusteeships, directorships, elected office), memberships (whether corporate or personal), investments, shareholdings, personal relationships, land and property, intellectual property, customer/client relationships, use of the Board's services or anything else which could (or could be perceived to) impact on the member's ability to act fairly (independently, impartially, and in the public interest).

The following parties should be considered when assessing the potential effect of a member's declared interest on any decision:

- the member, the member's family, including spouse or civil partner or any person living in the same household as the member.
- a business partner or close personal friend.
- a firm, business, or other organisation with which the member is connected.

A pecuniary interest is an interest through which the member or relevant party stands to gain or lose financially.

A non-pecuniary interest is an interest through which the member of relevant party stands to gain or lose in non-financial ways.

All Board Members must take responsibility for declaring any potential conflicts of interest at the start of the meeting and again when the relevant item is reached on the agenda, regardless of whether it is already included in the Register of Interests.

When accepting membership of the Board each member must complete a register of interests and accept the membership code of conduct, which shall be kept by the Secretariat and be open to inspection by any member of the Board. This register of interest must also be completed by any officer contributing to the work of the Board. Members will be required to submit a signed Declaration of Interest to the Secretariat prior to their attendance at their first Board meeting.

In the spirit of openness, interests must be declared where appropriate. Those declaring an interest will be asked to leave the room and shall take no part in the discussion or the voting thereon. However, the Board can, if appropriate, invite the interested party to provide factual information before the discussion begins. As a minimum the register must be updated annually, but each member should ensure that it is updated as necessary if any changes occur during the year.

All members should respect the confidential nature of some aspects of the activity undertaken by the Board and must adhere to the membership code of conduct. Members will be required to submit a signed Code of Conduct to the Secretariat prior to their attendance at their first Board meeting.

All Board Members are expected to abide by [The Seven Principles of Public Life \(Nolan Principles\)](#).

9. Supporting arrangements and sub-groups

Provision is made to establish sub-groups of the Board to facilitate quick decision making and engagement of relevant specialists. The terms of reference, functions and membership of any such sub-groups is to be formally agreed by Board prior to their creation.

Any groups established whilst having their own terms of reference are expected to operate within the remit of this terms of reference and shall have a majority of members from the voting representatives of the Board.

Sub-groups will provide their own secretariat function and produce a written report following each sub-group meeting, which will be tabled at the next Board

meeting in an agenda item led by the sub-group Chair. In line with the requirement of papers to be shared with the Board Members five days clear of the Board meeting, Sub-group Chairs are asked, wherever possible, to convene meetings in a suitable timeframe that they are able to provide their written report, in a standard template form, to the Secretariat and Board Chair no less than seven days clear of the next Board meeting.

10. Amendments to the Terms of Reference

The Terms of Reference shall be open to review at any time, but any amendment shall not be made unless agreed by a two thirds majority of members present that are entitled to vote.

11. Dissolution

The Board may be dissolved by a resolution passed by a simple two-thirds majority of those present and voting at a Special Meeting. The Board may also be dissolved by the Lead Authority if and when appropriate, in line with the Lead Council's processes and the Board Code of Conduct, should the actions of the Board be of detriment to the progress of the Town Deal or if the operation of the Board becomes dysfunctional and poses a risk to programme delivery.

Appendix 3 – Towns Fund Background and Objectives

In November 2019, The Ministry of Housing, Communities and Local Government (MHCLG) launched the £3.6bn Towns Fund, for 100 towns across the country each bidding for a share of up to £25 million. Of these for Cornwall, Camborne was selected by MHCLG for inclusion (the Towns Fund).

MHCLG published (in Nov 2019) the Towns Fund Prospectus, in which there are explicit guidelines on the formation of the Town Deal Board, their role and function, who should sit on the board, and from where these members should be drawn.

The Prospectus instructs the Unitary Authority (Cornwall Council) hereto referred to as the Lead Council to develop the Town Deal Board, and from there draw up a Town Investment Plan. The Town Investment Plan shall be drawn up, and when consensus is achieved confirms that the content of the Town Investment Plan is of high enough quality for submission to MHCLG, it shall be done so by the Lead Council.

The Towns Fund objectives include:

- The Towns Fund addresses growth constraints across the UK experienced by certain towns in certain areas.
- Successive governments have focussed on cities as drivers of economic growth. Towns have been overlooked and an objective of the Towns Fund is to level up that imbalance.

The Towns Fund will strengthen economies in towns that may not have the fundamental building blocks of a healthy localised economy. Without a strong economy amenities and leisure facilities, it is crucial to grow the economy of towns to facilitate the revival of these facilities and improve the standards of living in these areas.

The Towns Fund will:

- Focus on the individuality and assets of each town and build upon those assets providing the tools to design and deliver a growth strategy for that town.
- Provide confidence in long-term investment for businesses in towns, capitalising on the natural environment for renewable energy creation, historic and cultural offering and access to infrastructure.
- Work with local leaders to support the businesses to grow further and encourage a healthy supply chain.
- Seek opportunities to reinvigorate a workforce with new skills and enable that workforce to pursue other job opportunities that may exist in a

changing economic marketplace.

- Work with Town Deal Boards to restore a spirit of pride that is often lost in 'left-behind' towns, through facilitation of project space for people to meet and deliver projects.
- Assist Town Deal Boards in the creation of the Town Investment Plan (TIP) for the recognition, rationalisation, ongoing development, and future investment opportunities of a town.
